Dear Sir:

*OK to
Enter 11/11/01*
Responsive to the Official Office Action dated August 16, 2000, the Notice of Allowance, please amend the above-identified application as follows.

IN THE CLAIMS

In Claim 7, line 8, after "centrifugation", please insert --;--.

In Claim 13, line 9, please delete "hematopoetic" and insert --hematologic--.

REMARKS

The above amendment of Claim 7 is simply a grammatical amendment which makes the claim read more smoothly; and the amendment of Claim 13 renders the recitation of the type of progenitor cells consistant throughout the claims. These amendments do not change the scope of the allowed claims and should be entered. Early notice to that effect is courteously requested.

Respectfully submitted,

William W. Jones
